Master Services Agreement

SAMPLE DOCUMENT FOR SOFTWARE TESTING. NOT A REAL AGREEMENT.

This Master Services Agreement is between Kingdom Sites ("Provider") and Wren Hall School, a fictional school ("Client").

1. Services. Provider will design, build and look after the software described in each Statement of Work signed under this Agreement.

2. Fees. Client pays the fees set out in each Statement of Work. Invoices are due within 30 days.

3. Confidentiality. Each party keeps the other's non-public information confidential.

4. Ownership. Client owns its content. Provider keeps its tools and reusable code and grants Client a licence to use them.

5. Term. This Agreement runs until either party ends it with 30 days' written notice.

Statement of Work #1

SAMPLE DOCUMENT FOR SOFTWARE TESTING. NOT A REAL AGREEMENT.

Project: Wren Hall School web app (fictional).

Scope:
- A sign-in for staff and parents.
- A class timetable page.
- A notice board the office can update.

Schedule: four weeks from the start date.

Fees (placeholder figures):
- Build: $1,000 (sample amount)
- Monthly partnership: $100 per month (sample amount)

Acceptance: Client reviews each milestone within five business days.
